

Financial Services Sector (Consulting) / Start-up Sector

EDHAS SOLUTIONS

The name “Edhas” is derived from the Sanskrit word meaning “Prosperity” and “Happiness” which demonstrates the commitment to offer cost effective and professional solutions to our clients. Our priority is to offer cost effective and timely solutions to our clients. Though an independent service provider, we believe in building strong relationship with our clients that allows the management to have ability to consult with us on broad range of issues.

We offer one-stop solution for day-to-day accounting, financial management, payroll & business administration. Our service offerings also include risk management solutions, due diligence and talent management. We assist in company formation, CIPC compliance, statutory compliances and offer assistance with project reports and fund raising in South Africa and India. Our team in South Africa and India, can be of assistance with taxation for individuals and corporates with South African and Indian tax regulations.

We have grown from a team of 2 to 15 in first twelve months with the target to further expand our bench strength aggressively in South Africa & India. Our vision is to be one of the leading and cost effective one-stop solution provider for ALL business needs. We want to be a clear choice of professional service firm with a personal touch. Our mission is to make businesses stress free. We have presence in South Africa and India since 2023. We are the preferred service provider for our clients in the Automotive, Mining & Engineering sectors.

Edhas is led by Mr. Shriraj Deshpande for South African market and Mr. Rushiraj Deshpande & CA Lalit Patel for Indian Market. The management team has a cumulative experience of more than 60 years with the expertise in accounting, financial management and marketing. Mr. Shriraj Deshpande is a qualified Chartered Accountant with more 15 years of work experience across Africa, Europe and the USA.
