KT VISION NET SERVICES

KT Vision Net Software Services is a strategic IT partner for global organizations seeking to transform, grow, and lead in today's challenging business environment. As a global leader in IT services, digital business solutions, consulting, technology, outsourcing, and next-generation services, KT Vision Net helps enterprises renew themselves while also creating new avenues for generating value.

Founded in 2019, KT Vision Net Software Services has steadily grown, with a turnover of approximately ZAR 18 million and a dedicated team of 23 employees. Our mission is to be the leading provider of best-of-breed enterprise solutions by leveraging global experience and local expertise to serve customers worldwide.

Our company values are the foundation of our thinking and actions. They are the essence of what ties us together today and will continue to do so in the future. At KT Vision Net Software Services, we conduct business based on core values. Our success is rooted in Transparency, Innovation, Excellence, Unlocking the Value of Technology, Relationships, and Investing in Our People. These values guide our interactions with customers and business partners, as well as our teamwork and collaboration with each other.

KT Vision Net Software Services specializes in end-to-end IT development, testing, and manpower supply, offering tailored solutions that align with the specific skill sets required by our clients. While we primarily operate in South Africa and India, our strong partnerships extend our reach globally.

Banti Pathak, the Director of KT Vision Net Services, is a visionary leader with extensive experience in the IT industry. Under her leadership, the company has achieved remarkable growth, expanding its global footprint while maintaining a strong focus on innovation and excellence. With a commitment to empowering her team and fostering strategic partnerships, she drives KT Vision Net's mission to deliver world-class IT solutions. Her dedication to transparency, collaboration, and customer-centricity has been instrumental in the company's continued success.
