NARAYANI HOMES / IMMPEX

Founded in 2006, Narayani Homes established itself as a leader in residential development, renowned for its commitment to quality, innovation, and sustainability. With two decades of experience, we have become a trusted partner for clients in high end residential development. At Narayani, we don't just build structures; we build communities, lasting relationships, and environments that shape the future. Our approach is grounded in excellence, integrity, and attention to detail, ensuring that every project is executed to the highest standards of craftsmanship.

Also, as a diversification strategy, Immplex Pty Limited was established in 2021 and is a provider of high-quality chemical products for industries worldwide. Specializing in the import and export of a wide range of chemicals, we are committed to delivering superior products with reliability, efficiency, and excellent customer service.

With a strong network of global suppliers and customers, Immplex has built a reputation for being a trusted partner in the chemical trade. We offer a diverse portfolio of chemicals, including industrial, agricultural, and specialty chemicals, ensuring that we meet the evolving needs of businesses in a variety of sectors.

Manish Kanodia is the director of Narayani Homes Pty Ltd and Immplex Pty Ltd.
