

## **Mining & Metals Sector**

# **INFINITY HEIGHTS**

Infinity Heights, a well-established trading company, excels in supplying high-quality products across industries. Our core focus lies in Personal Protective Equipment (PPE), safety gear, and there are other comprehensive ranges of products like Fluorspar & Agricultural products that we export outside of SA.

In South Africa, we started our initial journey in 2018 and expanded our turnover exponentially with a consistent growth pattern. We source industry-leading PPE and safety gear brands, ensuring clients have the most effective equipment for workplace safety. We supply thousands of line items of safety gears to service the manufacturing, mining, oil & gas construction, port, healthcare, automotive, Laboratories, agriculture and warehousing industry.

Currently, we have around 15 employees on our payroll, based in Gauteng, India and we expect our manpower to cross 30 by the end of this year.

Infinity Heights South Africa exports in FY 23-24 were not only limited to our core focus areas. We successfully expanded into industrial chemicals and refractory bricks, showcasing our commitment to continuous growth and diversification. Leading this expansion by Shaveta K Mehta, our Director and CEO. With a diverse experience of 15 years and a Masters in Business Administration, Ms. Mehta spearheads Infinity Heights South Africa's operations. Established 6 years ago, Infinity Heights South Africa is part of a larger group with a rich investment history and a diverse portfolio across various industries.
