# **MOODLEY ATTORNEYS INCORPORATED**

Moodley Attorneys Incorporated ("MAinc"), is an 11-year-old born-free leading South African Indian owned law firm specializing in business law. We act solely for businesses, particularly family-owned businesses, to the exclusion of others such as governments and financial institutions. We are a B-BBEE Level 1 Contributor and have annual turnover of +R2.5million. The MAinc team consists of 5 highly skilled and talented individuals with a prerequisite that everyone must have been in business before joining our tribe.

We have offices both in Johannesburg and Cape Town. With strong relationships in Africa, we have the reach to harvest its opportunities for our clients. Our mission is to support our client in achieving its objectives whilst ensuring that it is protected at all times.

By understanding the intricacies of various industries, we help our clients navigate challenges and seize opportunities for growth whilst managing the risk, building sustainably and ultimately a legacy.

Ginen Moodley, the founder, has worked on many matters, most notably a R126B rolling stock tender. He has won an award on Governance from the IoDSA, published numerous articles relating to business as well as appeared on radio and television. He is a tax practitioner; deeply understands ESG; B-BBEE; private equity; business rescue; dispute resolution and estate planning. He sits as a Non-Executive Director ("NED") for a multinational in the renewable energy space after having been a NED for the first solar farm in South Africa.

Let us be your trusted ally on your journey to success.
