

## Other Sector (Diamond Industry)

# **NILKANTH GEMS**

Nilkanth Gems Pty Ltd is a prominent diamond dealing company based in the Diamond Center, Bedfordview, Johannesburg. The company was initially registered as Nilkanth Corporation Pty Ltd in 2015 and was later re-registered as Nilkanth Gems Pty Ltd in 2018.

Owned by Alfa Mehta, who has 10 years of experience in the diamond industry, Nilkanth Gems Pty Ltd is positioned to compete in the highly competitive diamond dealing services industry, targeting not only Surat - India, and Johannesburg but also the global market.

The company engages in the import and export of rough and polished diamonds, along with the creation of customized diamond and gems jewellery. Rough diamonds are sourced from local mines and exported to key international markets including Dubai, Belgium, India, and Hong Kong.

Nilkanth Gems Pty Ltd also dealing with polished diamonds which has to go thru process such as planning, cutting or sawing, bruiting, and final inspection of polished diamonds. The company's team includes certified and highly experienced diamond technicians from Surat and part of India. Additionally, we operate a manufacturing unit in Surat, Gujarat -India, where our diamonds are polished under expert supervision.

With an investment of approximately 20 million Rand and an annual turnover of 10 million Rand, Nilkanth Gems Pty Ltd employs five staff members in South Africa, comprising three Indians and two South Africans.

Looking ahead, Nilkanth Gems Pty Ltd plans to expand its operations with the establishment of a new diamond polishing factory in Johannesburg, set to open in 2025.
