Satguru Corporate Travel - South Africa is a wholly owned subsidiary of Satguru Travel and Tourism Private Limited. Established in 1989 under the visionary leadership of our esteemed CEO and MD, Mr. Anil Chandirani, Satguru Travel Group has evolved from a modest travel management firm into a prominent global travel enterprise. Our company specializes in delivering comprehensive corporate travel management solutions, offering a broad range of travel-related services tailored to meet the needs of our esteemed clientele worldwide.

As the largest PAN-African corporate travel management firm, we operate globally, with our headquarters in Dubai. Our presence spans 74 countries across five continents, supported by 133 branch offices. With 35 years of experience in the business and leisure travel industry, our combined annual turnover is approaching USD \$2.3 billion managed by over 5,000 travel experts.

We pride ourselves on our robust local support and exceptional customer assistance. It is often said that when you travel within Africa, you are traveling from one Satguru location to another. Offering all travel-related services under one roof, we combine our rich experience, domain expertise, strong network, infrastructure, and innovative travel technologies with personalized travel solutions to efficiently manage the travel programs of the organizations we partner with.

In South Africa, our journey began in 2012. We now have offices in Johannesburg, Cape Town, and Durban. Currently, we employ around 50 staff members across Gauteng, KwaZulu - Natal, and the Western Cape, dedicated to providing top-notch travel management services.

Our goal is to continue our growth and solidify our position as a leader in the travel industry, providing sophisticated, results- oriented, and strategically aligned travel services to our clients.

Satguru Corporate Travel South Africa is led by our General Manager, Mr. Mayendran Moodley, who brings over 20 years of experience and expertise in the travel industry. He holds an MBA from the University of Pretoria.
