GROUP OF RESTAURANTS & BANQUETS

RESTAURANTS • BANQUETS • FUNCTIONS

The Classic India opened its doors in 2009 with its first branch in Boksburg and further expanded across Johannesburg with branches in Bedfordview, Fourways and Meyersdal. In 2013, The Classic India Banquet was opened with a 200-seater main banquet and 60-seater private lounge. In this year, we also ventured into outdoor catering for weddings, large events and functions.

Since 2009, we have had the opportunity to cater for various high commissions, embassies, consulates, dignitaries and diplomats including top officials from India on numerous occasions. We have also been privileged to be the preferred caterers for the Indian Cricket & Hockey Teams during their tours to South Africa over the years.

The Classic India welcomes you to an outstanding food and wine menu, delicately planned by our executive chefs from 5-star hotels in India, giving you the authentic taste of North Indian cuisine along with Indo-Chinese, South Indian, live barbeque and sizzlers. Our wine consultants have provided a broad selection of what the diverse winelands of the fairest Western Cape has to offer.

Our team has grown to over 100+ employees across 5 branches, during our journey of 15 years. The Classic India Group of Restaurants and Banquets has been guided with great passion and dedication by our owner and director Mr. Manish Gupta. We at The Classic India, welcome you to indulge in our hospitality. We are confident that your experience will be a memorable one!
